

Need Help Paying Your Electric Bills?

Please Apply Now You Might Qualify for CARES Discounts from UniSource Energy Services

If you're having trouble making ends meet, UniSource Energy Services would like to help. Our Customer Assistance Residential Energy Support (CARES) program offers discounts designed to help low-income customers pay their electric bills.

CARES offers discounts of up to 30 percent to qualifying UES electric customers. The discounts vary based on the amount of energy used, according to the following schedule:

Monthly Energy Use	Discount
0-300 kWh	30%
301-600 kWh	20%
601-1000 kWh	10%
Over 1001 kWh	\$8

Those who require the use of ventilators, dialysis equipment or other life-support equipment in their homes can qualify for similar discounts with up to twice as much energy usage. Some restrictions apply, so please contact UES for more information about the CARES/Medical Life-Support Electric Discount.

To qualify for CARES discounts, customers must have household incomes that do not exceed 150 percent of the federal poverty level.

Thousands of UES customers are receiving CARES discounts, yet many more who may qualify for assistance have never applied. We
